

### Instructions

- Contact your municipal police department for details of the related fees and processing time.
- Complete this form and personally bring it to the police department, along with two identity documents, one of them a photo ID.
- Include the certificate of search when submitting your application to the Commission. A certificate of search is valid for three (3) months from the date attesting to the completion of the police background check.

### 1 – Identification

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

### 3 – Applicant's consent to a police background check

I hereby authorize the police department to verify all information concerning charges or convictions related to criminal acts or offences I may have committed.

I agree that the police department may check all of the files, records and databases to which it has access, and this for the period covering the last five (5) years.

I also consent to the forwarding, upon request, of the certificate of search to the Commission des transports du Québec.

Finally, I understand that only a search based on fingerprints may with absolute certainty link a person to a specific criminal record.

I consent to the certificate of search being retained (on paper or electronically) or reproduced by the police department and by the Commission des transports du Québec. These organizations are by law required to protect the confidential information included in this certificate.
